

CALL FOR "NACHO NAVARRO'S GRANT" (BEQUES NACHO NAVARRO)

2020/2021

Aim of the call: to confer two grants per academic year. The call will be annual and will last for five consecutive years (total: 10 grants) from the 2016/17 academic year.

Applicants: graduated students from FIB (UPC) who will pursue the Master's Degree MIRI (FIB) in the two following AC fields:

- Computer Networks and Distributed Systems
- High Performance Computing

Financial aid: 50% of the student's enrolment fee for the first year of the Master's course (including first and second term).

Date for the call: July

Submission of applications and documentation: online submission at <https://masters.fib.upc.edu/grants-and-financial-aid>

Deadline: 14th September 2020.

Documentation (scanned): application form, student's academic transcript, DNI or NIE, curriculum vitae and cover letter.

Decision announcement: September 28, 2020.

The evaluation committee will be made up by the Director of AC Department, the Director of the Master MIRI at FIB and a professor from the AC Department. The evaluation committee of the grant will only take into account the applicants' academic transcript.

The committee will issue a report about the prioritization and results of the grants on September 23, 2020.

*This financial aid is not compatible with other similar grants.

Dissemination of the call: at FIB and DAC websites.
